The estate's history began around the 17th century.

Claude and Laurent took over their father Roger Champault in 1996, and they are now running this family business.

They also modernized the viticultural and winegrowing facilities by using thermoregulated stainless steel tanks in the cellar. Claude and Laurent are now the two owners of this beautiful inheritance.

Planted on slopes with renowned aspects and terroirs, the estate stretches over 20 hectares.

Thanks to their efforts and to the quality of their wines, the cuvée white Sancerre « Les Pierris » 2008 was granted the great honor to be served at the wedding of the Princess Victoria of Sweden in June 2010.
